

ENGLISH SUMMER CAMP

This summer, the offices @ Roeland will be buzzing with activity again, when kids will learn their first English words during our day camps in Gent.

They will learn about families, feelings, animals, clothes and lots of other fun stuff. But that is not all: there will be time to run around in the park, go to the Blaarmeersen and show how creative they are.

And for those who'd love to stay for a whole week and learn all about birthdays, parties and those special days of the year, such as Halloween and Christmas: join us in Oostakker!

All kids aged 11 until 13 are welcome, you don't have to know any English yet to participate. See you there!
